

Onity Electronic In-Room Safes

Onity

A UTC Fire & Security Company

Onity OS series

OS200 Digital Keypad Safe

Its user friendly operation coupled with a high level of reliability and functionality makes it an ideal safe for any application.

The substantial security this model provides will give your guests peace of mind.

OS400 Enhanced Digital Keypad Safe

Loaded with features this model offers increased security, with a Portable Programmer unit that provides a Printable Audit Trail.

The user-friendly keypad has a 6-digit display with 3 to 6-digit code capability and is as easy to operate for you as for your guests, with increased security through a "Non-resident Master Code".
